LICENSE AGREEMENT. This is a legal agreement between you (either an individual or an entity) and Software FX, Inc. Software FX is only willing to provide the software to you on the condition that you accept all of the terms contained in this agreement. By installing the software you are agreeing to be bound by the terms of this agreement. If you do not agree to the terms of this agreement, promptly return the uninstalled software to the place you purchased it for a full refund. Notwithstanding anything herein to the contrary, Software FX's authorized resellers are not agents of Software FX, and such resellers may not enter into any contracts on behalf of Software FX. No authorized reseller has the authority to modify the terms of this agreement.

1. GRANT OF LICENSE. Software FX, Inc. grants to you as an individual or entity a non-exclusive license to make and use copies of the SOFTWARE in the manner provided below. The rights granted under this Agreement are only effective upon payment of license fees and possession of the appropriate License Agreement (if applicable). The software is licensed, not sold, even if for convenience we make reference to words such as "sale" or "purchase". There are no implied licenses under this agreement.

(a) Installation. The software contains portions known as "Design-time Components" which are plug-ins to Microsoft Visual Studio .NET and/or Business Intelligence Development Studio (Reporting Services Designer) and are used to design reports on a computer called a "workstation" or a "development workstation". Also, the software provides portions known as "Production Server Components" which are add-ons to the Microsoft SQL Server Reporting Services and are used to generate production reports on a computer called a server. This license agreement grants you one (1) license of the software portions known as "Design-time" and (1) license of the software portions known as "Production Server".

(b) Use of Design-time Components. The "Design-time Components" are licensed on a per seat basis. Per-seat licenses are licenses that are counted by all the machines on which any "Designer Component" will reside on. To use a per-seat license, every machine installing, running and/or using the software for design purposes must have a licensed copy and its appropriate license. A design license is required for each additional computer on which you will be installing and running any of the "Design-time Components".

(c) Use of Production Server Components. The "Production Server Components" are licensed on a per server basis. The "Production Server Components" may only be used on one and the same server. Additional license fees are also due if the "Production Server Components" are used for hosting or service bureau purposes. A Production Server license is required for each additional computer on which you will be installing and running any of the "Production Server Components".

2. EVALUATION/TRIAL LICENSE. If you have received/download a copy of the Software from Software FX or its authorized reseller, but have not yet purchased a license to use the Software, then Software FX grants you a personal, non-exclusive, non-transferable, limited license to install and execute the Software, in object code format only, for your own internal use solely for the purposes of evaluating the Software for a time period (not to exceed 60 days) designated by Software FX. You will be required to enter an activation code to install and use the Software under this evaluation/trial license. When the Software is used on an evaluation basis, you agreed and understand it may not have the full functionality described in its accompanying documentation and/or may include time bombs and other computer programming routines that are intended to interfere with the normal uninterrupted operation of the Software. The evaluation/trial version of the Software does not intercept or expropriate any system, data or personal information from your system.

3. NO OPEN SOURCE. Your license right to the Software does not include any license, right, power or authority to subject the Software in whole or in part to any of the terms of an Excluded License. A **SOFTWARE PRODUCT** labeled as an upgrade replaces and/or supplements the product that formed the basis for your eligibility for the upgrade. You may use the resulting upgrading product only in accordance with the terms of this License Agreement. If the **SOFTWARE PRODUCT** is an upgrade of a component of a package of software programs that you licensed as a single product, the **SOFTWARE PRODUCT** may be used and transferred only as part of that single package and may not be separated for use in more than one computer.

11. LIMITED WARRANTY. Software FX, Inc. warrants that (a) the **SOFTWARE** will perform substantially in accordance with the accompanying written materials for a period of ninety (90) days. and (b) any hardware accompanying the **SOFTWARE** will be free from defects in materials and workmanship under normal use and service for a period of one (1) year from the date of receipt. Any implied warranties on the **SOFTWARE** and hardware are limited to ninety (90) days and one (1) year respectively. Some states/jurisdictions do not allow limitations on duration of an implied warranty, so the above limitation may not apply to you. This limited warranty gives you specific legal rights. You may have others which vary from state/jurisdiction to state/jurisdiction.

NO OTHER WARRANTIES. There are no other warranties to the maximum extent permitted by applicable law. Software FX, Inc. and its suppliers disclaim all other warranties, either express or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose, quality, title, results, efforts or quiet enjoyment with regard to the **SOFTWARE** and the accompanying materials. There is no warranty that the Software is error-free or will function without interruption. You assume the entire risk arising out of the performance or use of the software. To the extent that Software FX may not disclaim any warranty as a matter of applicable law, the scope and duration of such warranty will be the minimum permitted by law.

12. LIMITATION OF LIABILITY. In no event will Software FX or its affiliates or other authorized reseller be liable for any consequential, indirect, exemplary, punitive, special, or incidental damages, or for any lost data or lost profits, arising from or relating to this agreement or your use of or inability to use the Software even if Software FX or its authorized resellers have been

advised of the possibility of such damages. The total cumulative liability in connection with this agreement and the Software, whether in contract, in tort (including negligence) or otherwise, will not exceed the amount of license fees that you paid to use the software for the particular license under which liability has arisen (not including fees for services or products other than the Software). The existence of multiple claims will not expand this limit. You acknowledge that the license fees reflect the allocation of risk set forth in this agreement and that Software FX would not enter into this agreement without these limitations on its liability. To the extent permitted by applicable law, no licensor or other supplier of Software FX will have any liability to you, whether in contract, in tort or otherwise under this agreement or in relation to the Software. The limitations and exclusions of liability in this section will apply even if an exclusive remedy under this agreement has failed of its essential purpose. Because some states/jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to you.

13. TERMINATION. This agreement will remain in effect perpetually or until terminated as provided below. You may also terminate this agreement at any time and for any reason, by giving written notice to Software FX. Software FX may terminate this agreement, effective immediately upon written notice to you if you (a) fail to pay any portion of the license fees when due and fail to cure such non-payment within thirty (30) days after receipt of notice of same, or (b) if you otherwise breach any provision of this agreement.
